Overall Best Subscriptions Showing 1-30 Start your review of A Treasure Trove of Short Stories May 09, 2021 Ankush Agarwal rated it it was amazing A bouquet of collection of short stories from various authors across the globe. Some of the stories are the popular ones, which avid readers would've previously read and wouldn't mind reading them again and others are not so popular but make a lovely read. The collection is especially suited for teenagers and relatively young readers. A bouquet of collection of short stories from various authors across the globe. Some of the stories are the popular ones, which avid readers would've previously read and wouldn't mind reading them again and others are not so popular but make a lovely read.
